

Composition/effect

- **Colloidal platinum** - has a purifying, soothing, regenerating and anti-inflammatory effect, reduces skin discoloration, reconstructs skin tissue, boosts antioxidant action, promotes hydration, smoothes and brightens the skin,
- **Copper peptide** - promotes the production of collagen and elastin, which is reflected in the reduction of fine lines and wrinkles. Acts as an antioxidant, reducing the effects of ageing and regenerating the dermis,
- **Niacinamide** - shrinks pores and rebuilds the lipid barrier of the epidermis,
- **Vitamin B3** - reduces the appearance of enlarged sebaceous gland openings, improves skin hydration and prevents hyperpigmentation,
- **Co-enzyme Q10** - improves skin firmness and elasticity, eliminates facial wrinkles, stimulates hyaluronic acid production, improves skin tone and hydration, influences skin regeneration and soothes irritation,
- **Bio-propanediol** - has a moisturizing effect, promotes the penetration of active ingredients into the skin.

INCI

Aqua, Glycerin, Propanediol, Benzyl Alcohol, Salicylic Acid, Sorbic Acid, Carbomer, Mannitol, Microcrystalline Cellulose, Sucrose, Zea Mays (Corn) Starch, Mica CI 77019, Titanium Dioxide CI 77891, Hydroxypropyl Methyl Cellulose, Sodium Hyaluronate, Ubiquinone, Colloidal Platinum, Niacinamide, Sodium Hydroxide, Caprylyl Glycol, Ethylhexylglycerin, Bis (Tripeptide-1) Copper Acetate, Parfum.
