Water, Glycerin, Methylpropanediol, Niacinamide, PEG-32, Dipropylene Glycol, Milk Protein Extract, Bis-PEG-18 Methyl Ether Dimethyl Silane, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Macadamia Ternifolia Seed Oil, Cetareth-6 Olivata, Cyclopentasiloxane, Tromethamine, Carbomer, Butylene Glycol, Fragrance, Adenosine, Dimethiconol, Chondrus Crispus (Carrageenan), Salvia Hispanica Seed Extract, Origanum Vulgare Leaf Extract, Linum Usitatissimum (Linseed) Seed Extract, Hibiscus Sabdariffa Flower Extract, Hedera Helix (Ivy) Leaf Extract, Eucalyptus Globulus Leaf Extract, Camellia Sinensis Leaf Extract, Nelumbo Nucifera Flower Water, Pinus Sylvestris Leaf Extract, Sodium Hyaluronate, Royal Jelly Extract, Rice Ferment Filtrate (Sake), Hamamelis Virginiana (Witch Hazel) Leaf Extract, Galactomyces Ferment Filtrate, Fructan, Bacillus/Soybean Ferment Extract, Anthemis Nobilis Flower Extract, Lilium Candidum Bulb Extract, Iris Versicolor Extract, Freesia Alba Flower Extract, Rosa Damascena Flower Water, Nelumbo Nucifera Flower Extract, Narcissus Pseudo-Narcissus (Daffodil) Flower Extract, Leontopodium Alpinum Extract, Jasminum Officinale (Jasmine) Flower/Leaf Extract, Retinyl Palmitate, Biotin, Ceramide NP, Hydrogenated Lecithin, Maltodextrin, Calcium Pantothenate, Sodium Starch, Octeny, Isuccinate, Glycereth-20, Sodium Ascorbyl Phosphate, PEG-10 Rapeseed Sterol, Glyceryl Stearate, Hydroxypropyl Cyclodextrin, Tocopheryl Acetate, Pyridoxine HCl, Glutathione, Silica.

Active ingredients

- Niacinamide - strengthens the skin's protective barrier, regulates sebum secretion, has an antioxidant, anti-inflammatory and brightening effect, reduces sebaceous gland secretions,
- Milk proteins - moisturize and make the skin more elastic, accelerate regeneration,
- Adenosine - delays the ageing process, has a wrinkle-reducing and elasticizing effect, accelerates skin regeneration and evens out skin tone,
- Ceramide - strengthens the skin's protective barrier, protects against dryness, regenerates and nourishes the skin,
- Glutathione - has an antioxidant and anti-inflammatory effect, inhibits the release of melanin, visibly brightens the skin and protects it from discoloration.
