

It stimulates fibroblasts to synthesize connective tissue components (collagen I, III, IV) and polysaccharides (glycosaminoglycans and hyaluronic acid).

Composition

- Osilift – an active substance of the latest generation with a firming effect. It is an ingredient obtained from oats, rich in polysaccharides, has intense tightening properties, smoothes unevenness and reduces wrinkles.
- Argireline - a hexapeptide with anti-aging properties, thanks to its specific effect on nerve and muscle cells, smoothes fine wrinkles around the eyes, maintains the effects and perpetuates treatments such as mesotherapy or botulinum toxin.
- Matrixyl - an endogenous peptide acting as a cell messenger, has an effect similar to that of argireline, and additionally intensively stimulates cell renewal.

INCI

Aqua, Glycerin, Aloe Barbadensis Leaf Juice, Apricot Kernel Oil PEG-6 Esters, Polyamide-5, Niacinamide, Panthenol, Acrylamide/Sodium Acryloyldimethyltaurate Copolymer, Hydrolyzed Collagen, AcetylHexapeptide-8, Dipeptide-2, Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide- 1, Chrysin, Avena Sativa Kernel Extract, Allantoin, Escin, Hesperidin Methyl Chalcone, Sodium Hyaluronate, Methylsilanol Mannuronate, Ethylhexylglycerin, N-hydroxysuccinimide, Isohexadecane, Butylene Glycol, Caprylyl Glycol, Cyclopentasiloxane, Dimethicone, Polysorbate 80, Steareth-20, Sorbitan Oleate, Xanthan Gum, Carbomer, Polysorbate-20, Sodium Citrate, Disodium EDTA, Phenoxyethanol, Methylparaben, Propylparaben, Ethylparaben, Potassium Sorbate, Chlorhexidine Digluconate, Sodium Benzoate, Sorbic Acid, Parfum, CI 77891, CI 77019, CI 77861.
