

Zusammensetzung

- Vitaminen
- Aminosäuren: Cyanobalamin, Cystein, Glutamin, Leucin, Alanin, Histidin, Threonin, Isoleucin, Tryptophan, Phenylalanin, Tyrosin, Serin, Cystein, Aspargin, Prolin, Methionin, Taurin, Pyridoxin, Riboflavin
- Coenzymen
- Salzmineralien
- Mikronährstoffe

INCI

Aqua, Sodium Chloride, Potassium Chloride, Magnesium Chloride, Cyanocobalamin, Calcium Chloride, Cysteine, Glutamine, Aminobutyric Acid, Ascorbic Acid, Alanine, Leucine, Histidine, Threonine, Isoleucine, Tryptophan, Phenylalanine, Tyrosine, Serine, Aspartic Acid, Cystine, Glutathione, Thymidine, Glutamic Acid, Asparagine, Ornithine HCl, Nicotinamide Adenine Dinucleotide, Proline, Methionine, Acetyl Hydroxyproline, Taurine, Coenzyme A, Disodium Uridine Phosphate, Thiamine Diphosphate, Retinyl Acetate, Thiamine Nitrate, Inositol, Pyridoxine HCl, Niacinamide, Riboflavin, Calcium Pantothenate, Folic Acid, Biotin.
