

Composition/ Action

- **Peach fruit extract** - the extract moisturizes, tones and softens the skin. Improves color, smoothes and nourishes the skin. Tightens pores. It is often the raw material for the production of the best and most expensive cosmetics with regenerating and toning properties.
- **Sweet almond extract** - makes the skin resistant to infections, irritations and UV rays. It softens and refines the skin, making it look firmer and fuller.
- **Oat seed extract** - a skin-strengthening, anti-allergic, mild and delicate ingredient, used especially in cosmetics for sensitive and allergic, atopic and irritated skin. Oat extract has a softening and moisturizing effect. It promotes regeneration and soothes irritations. It also has an antioxidant effect, so it prevents the formation of wrinkles and loss of firmness.
- **Soybean extract** - has strong antioxidant and anti-inflammatory properties. Rich in many vitamins, minerals and proteins, it has a brightening effect. It reduces redness and irritation, neutralizes free radicals and prevents the skin aging process. Smoothes and softens the epidermis. Recommended for mature skin.
- **Blueberry extract** - has nourishing, bactericidal and antioxidant properties. Smoothes, brightens and firms dry, sagging skin.
- **Orange fruit extract** - has antiseptic, antioxidant and soothing properties. Supports the healing of inflammation. Brightens the skin tone.
- **Kale extract** - is an antioxidant, increases collagen production, improves cell regeneration, restores a youthful appearance, slows down the skin aging process, reduces the visibility of scars, as well as swelling and redness.
- **Yogurt Extract** – has protective, repairing, nutritional and anti-wrinkle effects.
- **Pumpkin extract** - the extract is quickly absorbed into the skin and increases collagen production. Strengthens the skin structure and helps regenerate damaged or dehydrated skin. It also exfoliates and gives you a smoother and brighter complexion.
- **Broccoli extract** - rich in antioxidants, broccoli protects skin and hair against UV rays and free radicals. They are also a good source of vitamin A, which supports the regeneration of skin cells, giving us a clear and smooth complexion.
- **Lemon extract** - has antioxidant properties. Stimulates the regeneration and renewal processes of the epidermis. Moisturizes, increases skin elasticity and firmness. Nourishes and revitalizes tired and prematurely aging skin. It has a gentle astringent effect.
- **Silver maple extract** - exfoliates dead skin, eliminates discolorations, brightens and evens out the skin tone. Smoothes and moisturizes. It has anti-inflammatory and antioxidant properties. Prevents the formation of wrinkles.
- **Sugar cane extract** - moisturizes and nourishes the skin. Accelerates cell renewal, softens and smoothes the skin. Prevents skin aging. Removes discolorations, reduces wrinkles and smooths out scars.
- **Papaya fruit extract** - prevents excessive evaporation of water from these surfaces, makes the skin smoother. It has firming, brightening, cleansing and antibacterial properties. It has strong antioxidant properties.
- **Star anise extract** - has tonic, antibacterial and antifungal properties.

Recommendations and precautions

Avoid use on irritated or sensitive skin. If irritation, redness, swelling or itching occurs, discontinue use and consult a doctor immediately.

Avoid direct contact with eyes. In case of contact with eyes, rinse immediately with plenty of water.

Avoid use on skin sensitive to bandages or patches. Avoid keeping in places exposed to sunlight, high and low temperatures. Close the package tightly. Keep out of the reach of children.
